### FME ADDS CHRISTINE CAFAGNA TO ENVIRONMENTAL TEAM

**COLUMBIA, SC (December 14, 2017)** – F&ME Consultants, Inc. (FME) is pleased to announce the hiring of Christine Cafagna as Senior Environmental Manager in its Columbia, SC office at 1825 Blanding Street. Ms. Cafagna comes to FME with more than 14 years of environmental consulting and project management experience. She has managed a diverse range of environmental assessment, compliance, and remediation projects across the country, to include large scale real estate development projects, NEPA documentation, brownfields, environmental remediation, and site characterization/investigation. Ms. Cafagna also has experience with indoor and outdoor air quality, water permitting, Phase I and Phase II environmental site assessments, environmental impact statements, hazardous materials, water quality, wetlands, hazardous waste, stormwater, and litigation support.

Ms. Cafagna holds an undergraduate degree from Rutgers University in environmental science, and a master's degree from Drexel University, also in environmental science. Further, she graduated cum laude from Campbell University, Norman Adrian Wiggins School of Law, and is admitted to the bar in three states.

Ms. Cafagna has served on several professional committees and presently serves on the Board of Directors for the Commercial Real Estate Women (CREW), Midlands, South Carolina Chapter. Outside of work, she enjoys spending time with her husband and two children.

FME is excited about the new opportunities and growth Ms. Cafagna can bring to the firm, as she continues working with existing clients and reaches out to new clients and market sectors. Ms. Cafagna can be reached at [ccafagna@fmeconsultants.com](mailto:ccafagna@fmeconsultants.com), 803.254.4540 (office), or 803.719.6489 (mobile).
